### Zero Tolerance

Zero Tolerance is in effect at all District 25 tournaments. What can we do to make sure it works? Here's what Dick Budd, District 25 recorder, has to say:

*Occasionally, your opponents do something you find rude or unethical. Most players simply do nothing at the time, and then complain loudly to their friends. This course of action leads the offenders to believe their actions are tolerated, and your friends that Zero Tolerance isn't working.*

*If you are subjected to rude and/or unethical behavior, call the director at the time of the incident. Report what happened, and ask for a **player memo**. Fill it out and hand it in. Every complaint will be investigated, and suitable action will be taken.*

*Help us make Zero Tolerance work, and make playing bridge even more enjoyable for all, from beginner to expert.*

## OFFICIAL ACBL SLOW PLAY POLICY

If you are a habitually (or even occasionally) slow player, you should be aware that there are new rules governing your conduct at the bridge table. These new, stricter rules *will* be applied at this and future tournaments.

The ACBL Board of Directors approved unanimously a new policy, based on references to slow play regulations in the Laws of Duplicate Bridge. Their motion read,

“When a pair has fallen behind, it is incumbent on them to make up the time lost as quickly as possible, *whether at fault or not*. All players are expected to make a concerted effort to catch up when they have fallen behind, regardless of the reason for their lateness.

“In the absence of compelling evidence to the contrary, the director should presume that a pair finishing a round late by more than two or three minutes on more than one occasion during a session is responsible for the lateness. There is a strong expectation that the director will penalize such a pair. The size of the penalty will tend to increase for subsequent instances of slow play and for chronic or egregious slow play. While warnings typically will be given before a penalty is assessed, failure to do so in no way limits the director’s authority to issue a penalty.”

Slow play, as opposed to careful or thoughtful play, is discourteous to your opponents -- and to all other competitors as well. Players and pairs who take more than their allotted time will be subject to penalty. And if you do fall behind, *even if through no fault of your own*, you nevertheless have a clear obligation to get caught up as soon as possible.

## Seeking Nominations for the Larry Weiss Award

The New England Bridge Conference, District 25, periodically awards the Larry Weiss Trophy, which is inscribed: "For Grace and Skill at the Bridge Table". There are three criteria for the award:

1. Some degree of success in contract bridge during the year for which the award is made.
2. Some degree of association with New England Bridge.
3. Notably, superior behavior and gracious presence at the bridge table.

Members of District 25 are encouraged to nominate a deserving individual for this award. Please e-mail nominations to Jim Rasmussen at [jrras@aol.com](mailto:jrras@aol.com).

In most years, the district has voted on this award in the fall. For further information on the history of this award and names of past recipients, consult the District 25 website, click on "Officers and Administration"; you will find the link at the bottom of the page.
