Congratulations

A dish and **A sha Jain** of South Glastonbury CT celebrated Valentine's Day by becoming life masters together! Last Thursday, they came in 8th in the Gold Rush Swiss Teams, along with David Lyons and James Lee, giving them both the gold they needed to earn their gold cards.

New use of the clock in Swiss Team events

We have started using the clock slightly differently in Swiss Team and Bracketed Round Robin Team events. Rather than showing the time when you must start your final board, the clock represents the time when the result must be turned in at the scoring table. Obviously, since this includes the time needed to complete all boards, score the match, confirm the result with your opponents, and submit the score, more time will be put on the clock for each match. However, if the ticket is turned in late (even one second late!), then *BOTH* teams may be subject to a slow play penalty. A warning may be given the first time (though excessive lateness could warrant a penalty even then), but a second infraction WILL result in an automatic penalty. What can you do? Be efficient. Keep an eye on the time. Save post-mortems until after the match is scored. If your opponents are excessively slow, let a director know. If you find yourself in time trouble, consider skipping the last board of the match. If you start a board with less than ten minutes on the clock, you do so at your own risk - you may well have difficulty completing the hand, comparing, and getting your result in on time.

Bridge is a timed event. All participants are expected to keep within the time allotted. Slow play delays the entire event, and is discourteous, not only to your opponents, but to every player in the room. Please help keep our events running quickly and smoothly.
