Seeking Nominations for the Larry Weiss Award

The New England Bridge Conference, District 25, periodically awards the Larry Weiss Trophy, which is inscribed: "For Grace and Skill at the Bridge Table". There are three criteria for the award:

- 1. Superior behavior and gracious presence at the bridge table.
- 2. Some degree of success in contract bridge during the year for which the award is made.
- 3. Some degree of association with New England Bridge.

Members of District 25 are encouraged to nominate a deserving individual for this award. Please e-mail nominations to Jim Rasmussen at jrras@aol.com before July 31st.

For further information on the history of this award and names of past recipients, consult the District 25 website, click on "Member Achievements", then on "Larry Weiss Award".

New use of the clock in Swiss Team events

We have started using the clock slightly differently in Swiss Team and Bracketed Round Robin Team events. Rather than showing the time when you must start your final board, the clock represents the time when the result must be turned in at the scoring table. Obviously, since this includes the time needed to complete all boards, score the match, confirm the result with your opponents, and submit the score, more time will be put on the clock for each match. However, if the ticket is turned in late (even one second late!), then *BOTH* teams may be subject to a slow play penalty. A warning may be given the first time (though excessive lateness could warrant a penalty even then), but a second infraction WILL result in an automatic penalty. What can you do? Be efficient. Keep an eye on the clock. Save post-mortems until after the match is scored. If your opponents are excessively slow, let a director know. If you lost your match and your opponents are slow confirming, protect yourself by turning in a result yourself. If you find yourself in time trouble, consider skipping the last board of the match. If you start a board with insufficient time on the clock, you do so at your own risk - you may well have difficulty completing the hand, comparing, and getting your result in on time.

Bridge is a timed event. All participants are expected to keep within the time allotted. Slow play delays the entire event, and is discourteous, not only to your opponents, but to every player in the room. Please help keep our events running quickly and smoothly.
