## New and Improved Website - *check it out!!!*

Have you heard? The District 25 website, NEBridge.org, has a new WebMaster.

The New England Bridge website has renewed its dedication to providing timely, accurate, and interesting information about bridge in New England. Expect to find...

- A lively home page that features recent happenings of interest to the district's players.
- Detailed results of all regional events and STaC games as soon as they are available - frequently the following morning
- A calendar that shows all the sectional and regional events in New England.
- Reports from the District Director, the Executive Committee, the Board of Delegates, and special committees to keep players informed of changes enacted and proposed.
- Lists of the top players in the district and those who have recently achieved new ranks.
- Dozens of links to other bridge sites.

**HELP!!!** The new team has ideas about how to make the site even more lively and relevant, but the main concern is to learn what interests the players themselves. Any ideas sent to webmaster@NEBridge.org will be more than welcome. If you want to contribute something yourself, that will be even better.
