Zero Tolerance

Zero Tolerance is in effect at all District 25 tournaments. What can we do to make sure it works? Here's what Dick Budd, District 25 recorder, has to say:

Occasionally, your opponents do something you find rude or unethical. Most players simply do nothing at the time, and then complain loudly to their friends. This course of action leads the offenders to believe their actions are tolerated, and your friends that Zero Tolerance isn't working.

*If you are subjected to rude and/or unethical behavior, call the director at the time of the incident. Report what happened, and ask for a **player memo**. Fill it out and hand it in. Every complaint will be investigated, and suitable action will be taken.*

Help us make Zero Tolerance work, and make playing bridge even more enjoyable for all, from beginner to expert.

Useful Information

Active Ethics	Want to promote active ethics? When someone makes that extra effort to practice what we all preach, make sure that person is made to feel appreciated. Tell us, and the Bulletin will tell the world.
Change of Address	If your address or other information is wrong, please let the directors and Memphis know.
Give me a hand!	“Everyone has a story worth telling.” If you have any interesting or amusing hands, stories, anecdotes, or announcements, please pass them along for inclusion in the Daily Bulletin. Give them to the bulletin editor (tournament director David Metcalf) or to any tournament director, or email them to bulletin@nebridge.org
New Life Masters	Please let us know when, in what event, partner and teammates, and tell us about any special or interesting circumstances.
Smoking	There is no smoking anywhere near the playing area.
District Web Site	The District 25 Web site has lots of interesting and useful information. Check it out at www.nebridge.org .
Cell Phones	Please remember to turn off all cell phones and other electronic communication devices before entering the playing area.

OFFICIAL ACBL SLOW PLAY POLICY

If you are a habitually (or even occasionally) slow player, you should be aware that there are new rules governing your conduct at the bridge table. These new, stricter rules *will* be applied at this and future tournaments.

The ACBL Board of Directors approved unanimously a new policy, based on references to slow play regulations in the Laws of Duplicate Bridge. Their motion read,

“When a pair has fallen behind, it is incumbent on them to make up the time lost as quickly as possible, *whether at fault or not*. All players are expected to make a concerted effort to catch up when they have fallen behind, regardless of the reason for their lateness.

“In the absence of compelling evidence to the contrary, the director should presume that a pair finishing a round late by more than two or three minutes on more than one occasion during a session is responsible for the lateness. There is a strong expectation that the director will penalize such a pair. The size of the penalty will tend to increase for subsequent instances of slow play and for chronic or egregious slow play. While warnings typically will be given before a penalty is assessed, failure to do so in no way limits the director’s authority to issue a penalty.”

Slow play, as opposed to careful or thoughtful play, is discourteous to your opponents -- and to all other competitors as well. Players and pairs who take more than their allotted time will be subject to penalty. And if you do fall behind, *even if through no fault of your own*, you nevertheless have a clear obligation to get caught up as soon as possible.
