SLOW PLAY REMINDER

If you are a habitually (or even occasionally) slow player, you should be aware that there are new rules governing your conduct at the bridge table. These new, stricter rules *will* be applied at this and future tournaments.

Slow play, as opposed to careful or thoughtful play, is discourteous to your opponents -- and to all other competitors as well. Players and pairs who take more than their allotted time will be subject to penalty. And if you do fall behind, *even if through no fault of your own*, you nevertheless have a clear obligation to get caught up as soon as possible. If you do not, then you may well be subject to a slow play penalty.

Congratulations

The winners of the Friday Gold Rush Pairs, **Stanley and Georgeann Kishner** of Danbury CT, entered the event with 21.43 (for Georgeann) and 18.53 (for Stanley) total points!!! In one event, they each basically doubled their ACBL total points, and in a single shot nearly fulfilled the gold point requirement to become Life Masters.

The Kishners are a superlative example that you don't have to have a lot of points to have a great bridge game and win lots of points. For all who are concerned that they "aren't ready" to play in an event like the Gold Rush, with life masters and players with up to 750 points, let the Kishners be your guides.

Stanley and Georgeann, congratulations on a great game and a great lesson for us all.

Congratulations to Friday's Winners!
