SLOW PLAY REMINDER

If you are a habitually (or even occasionally) slow player, you should be aware that there are new rules governing your conduct at the bridge table. These new, stricter rules *will* be applied at this and future tournaments.

Slow play, as opposed to careful or thoughtful play, is discourteous to your opponents -- and to all other competitors as well. Players and pairs who take more than their allotted time will be subject to penalty. And if you do fall behind, *even if through no fault of your own*, you nevertheless have a clear obligation to get caught up as soon as possible. If you do not, then you may well be subject to a slow play penalty.

Congratulations

Most people become Life Master at the end of a session, thanks to the masterpoints they won during that session. But **Jill Fouad** of New Canaan CT became a Life Master at the beginning of the evening session last night. How does one do that? Well, she had won a section top in the side game yesterday afternoon, which, when she entered a second session in the same series, was automatically converted from red to gold points.... which was just what she needed to earn her gold card! The evening session was a celebration of her success (she and partner Harold Feldheim celebrated by coming in 2nd in the evening session). Congratulations, Jill!

Congratulations to Friday's Winners!
