Zero Tolerance

Zero Tolerance is in effect at all District 25 tournaments.

What can we do to make sure it works? Here is what Dick Budd, District 25 recorder, has to say:

Occasionally, your opponents do something you find rude or unethical. Most players simply do nothing at the time, and then complain loudly to their friends. This course of action leads the offenders to believe their actions are tolerated, and your friends that Zero Tolerance isn't working.

If you are subjected to rude and/or unethical behavior, call the director at the time of the incident. Report what happened, and ask for a player memo. Fill it out and hand it in. Every complaint will be investigated, and suitable action will be taken.

Help us make Zero Tolerance work, and make playing bridge even more enjoyable for all, from beginner to expert.

It may help to know

- Active Ethics** Want to promote active ethics? When someone makes that extra effort to practice what we all preach, make sure that person is made to feel appreciated. Tell us, and the Bulletin will tell the world.

- Change of Address** If your address or other information is wrong, please let the directors and ACBL headquarters know.

- Give me a hand!** "Everyone has a story worth telling." If you have any interesting or amusing hands, stories, anecdotes, or announcements, please pass them along for inclusion in the Bulletin. Give them to the bulletin editor (David Metcalf) or a director, or email them to bulletin@nebridge.org

- New Life Masters** Please let us know when, in what event, partner and teammates, and tell us about any special or interesting circumstances.

- Smoking** There is no smoking anywhere near the playing area.

- District Web Site** The District 25 Web site has lots of interesting and useful information. Check it out at www.nebridge.org.

- Cell Phones** Please remember to turn off all cell phones and other electronic communication devices before entering the playing area.

Congratulations to Wednesday's Winners!
